9. Will my claims and/or capitation payments for these patients come directly from SOMOS or from the MCO?
 - Payments will now come from SOMOS rather than Emblem or HealthPlus for these patients. These checks can be identified by the SOMOS name on the check. For all lines of business not included in the Innovator Program, payments will continue to come from the patient's respective MCO. For any payments that are currently issued by the MCOs' vendors, those payments will continue to be issued by the vendors.

10. Will my payment be directly deposited into my account or will I receive a paper check?
 - You will receive paper checks unless you have registered for InstaMed. In order to receive electronic fund transfers, you must enroll with InstaMed (visit <https://register.instamed.com/eraeft> or call (866) 945-7990) and elect the "all provider payments" option.

11. How can I see all the providers (specialists, hospitals, ancillary services, etc.) that are in the SOMOS preferred network?
 - You can access the full SOMOS provider directory on the Provider Portal at <https://smnyportal.valence.care> or a paper copy can be provided upon request.
